EDUCATION

Tsinghua University, Bachelor of Architecture Sep 2021 – Jul 2026
• Ranking: 1/40 | GPA: 3.9/4.0

National University of Singapore (NUS), Exchange Program Sep 2023 – Dec 2023

HONORS & AWARDS

SOM China Fellowship, Winner 2025
• Awarded to be one of the three fellows to conduct independent research on flood resilience in Jakarta's riverine settlements.
• Developed amphibious modular typologies to preserve community social fabric and tectonic integrity against rising sea levels.

China Habitat Design Annual Award, Gold Medal 2025
• Winning urban design proposal "Waterfront+", reconnecting Beijing's Central Axis and water systems through adaptive reuse.

Tsinghua University Teaching Building Public Space Student Design Competition, 1st Prize 2024
• Redesigned 800+ sqm of underutilized atrium spaces, transforming circulation areas into flexible social learning environments.

PROFESSIONAL EXPERIENCE

Tsinghua University — First Teaching Building Renovation Project, Co-lead Designer (Commissioned) May 2025 – Ongoing
• Directing the adaptive reuse of a 1,500 sqm historic campus landmark. Negotiating preservation constraints with university administration while integrating modern MEP systems into the heritage fabric.

Kohn Pedersen Fox (KPF), Architecture Intern (Shanghai) May 2025 – Aug 2025
• Contributed to the Design Development of large-scale mixed-use projects by executing complex facade modeling in Rhino and producing high-fidelity visualizations to support key client presentations.
• Synthesized historical research into analytical diagrams to justify commercial circulation for a Shanghai urban regeneration project, facilitating client and bureau approvals.

Hong Kong Palace Museum, Learning and Engagement Intern (Hong Kong) Jul 2024 – Aug 2024
• Supported exhibition design logistics and co-organized workshops to optimize engagement with curatorial themes.

JJP Architects & Planners, Architecture Intern (Taipei) Jan 2023 – Feb 2023
• Produced presentation diagrams and models for large-scale aviation and cultural projects to support SD-to-DD phase transitions.

RESEARCH & LEADERSHIP

Swire Properties, Bi-city Youth Cultural Leadership Programme, Beijing Delegate 2024
• Conducted comparative analysis of urban placemaking strategies and cultural ecosystems to inform development methodology.

Tsinghua Italy Overseas Research Initiative, Director of Public Relations 2023
• Led a 15-person delegation to Politecnico di Milano; curated and moderated workshops on comparative heritage preservation strategies between China and Italy.

World Youth Development Forum, Youth Delegate 2022
• Facilitated multilateral dialogue on the UN2030 Agenda and the International Initiative on Youth Priority Development.

PUBLICATION

Architecture Design Studio Series, Tsinghua University Faculty Publication, Contributing Author 2025
• Selected as the sole Year 1 representative student work to demonstrate exemplary design pedagogy.

SKILLS

Languages: English (TOEFL iBT: 112), Mandarin (Native), Taiwanese (Native)
Digital: Rhino, Revit, AutoCAD, SketchUp, Grasshopper, Enscape, D5 Render, Adobe Suite (Ps, Ai, Id, Pr).

AVOCATIONS

Somatic Practice & Arts: Martial Arts, Tai Chi, Contemporary Dance, Ballet, Vocal Performance, Musical Theater, and Acting.
